THE REGION’S PREMIER
MASTERPLANNED COMMUNITY

“WHITE BOX RISE CITY STYLE WITH COUNTRY FREEDOM”
ESTABLISHED
The region’s premier fully master-planned community has established itself as a thriving growth centre over the last 9 years. 172 hectares of urban and native landscapes provide an idyllic lifestyle for over 1,800 residents in a diverse community and vibrant residential, commercial and leisure precincts.

EASY
This is where Australia’s leading builders are introducing homes of distinction and customising award-winning designs to suit every need. Travel is quick and easy with Wodonga CBD only 2.2kms away, and Albury, a six minute drive via the Hume. Residents can also work or study from home using the National Broadband Network available across the precinct.

CONNECTED
Integrated landscape design features across 160 acres of native reserves and parkland with 7kms of walk and bike paths and purpose built fitness stations. Leafy streets wind through a safe, friendly neighbourhood connecting to a lively town centre with a shopping plaza, schools, world-class leisure facilities and places to eat, play, explore and relax.

SUSTAINABLE
Dedicated to sustainability, enviro-sensitive landscapes cover more than 40% of White Box Rise using irrigation from recycled water and rainwater harvesting. High energy rating homes are the standard and clever planning means it’s an easy stroll to any of the great amenities on offer.
Individually designed precincts are pivotal to creating a lifestyle destination. Our latest precincts are created to appeal to the most discerning buyer and each one has a touch of difference.

**WHITE BOX PARK**
- Performance Stage
- Half Basketball Court
- Dual Flying Fox
- Mini Oval
- 2 Playgrounds
- BBQ & Seating

**HIKE AND BIKE TRAILS, FITNESS STATIONS AND MULTIPLE PLAYGROUNDS THROUGHOUT THE PARKS AND RESERVES.**
EDUCATION
Top level learning and modern facilities for 690 students enrolled at our primary, preschool and education centres.

RECREATION
The region’s largest aquatic centre and water-park has won Parks and Leisure Australia’s 2014 Leisure Facilities Award for the Victoria and Tasmania region.

WELLBEING
A range of health care professionals to choose from with integrated pathology services and a large pharmacy provides comfort and reassurance 24 hours a day.

COMMUNITY
An established and diverse community employs over 900 people and boasts state-of-the-art facilities within beautifully conceived, urban landscapes and hundreds of acres of bushland sustained by a purpose built water catchment reserve.

HISTORY
Once an army base, White Box Rise respectfully acknowledges its history with commemorative references including sculptures, playground features and street names. Peace Park on Victoria Cross Parade is a further tribute to our Anzacs telling the stories of these courageous Australians.

CONVENIENCE
A modern shopping plaza with one of the region’s largest supermarkets, an array of retailers, eateries, a respected medical centre, pharmacy and diverse lifestyle services, including a fully automated car wash.
STEP OUT BUT NOT MUCH FURTHER.

A modern lifestyle, within a beautiful natural environment. Uptown amenities and downtown style. White Box Rise is the region’s fastest growing community. Only 2.2kms to Wodonga’s CBD or arrive in the heart of Albury in 6 minutes via Bandiana Link to the Hume Highway only 2.7kms away.
